Letter of Recommendation

I am pleased to recommend **Mr. Philipp Hoffschroer** for his work as an executive recruiter and advisor.

I worked with Mr. Hoffschroer during the recruitment of the **Chief Financial Officer for Eurasia Group AG**. He was responsible for the search, pre-selection, and candidate outreach, and supported the process through to the successful appointment of **Mr. [REDACTED]** as Chief Financial Officer.

Eurasia Group AG is an owner-led holding company based in Schaffhausen with more than 20 investments across Europe and Asia. Its core focus is the agricultural sector, operating in close partnership with John Deere in several Central Asian markets, which places high demands on financial leadership and governance.

Mr. Hoffschroer quickly developed a precise understanding of our structure and the requirements of the CFO role. The candidates presented were well targeted and professionally pre-qualified. The process was efficient and well managed, communication was clear and reliable throughout, and the final placement fully met our expectations.

Based on this experience, I can confidently recommend Mr. Hoffschroer for senior and critical leadership searches.

Sincerely,

Mustafa Sahin
